So I will make this tougher for you to find his place.

It is somewhere off Wieuca sitting in a greener space.

Buck 9 Clue 2

You have to look close to see this buck or you could drive right by

He has a blue tint to his artwork that may blend in with the sky.

I told you to drive Wieuca road, now let me narrow it down.

Buck 10 Clue 1

Our next buck is unique as he's our only buck indoors.

Just head to that favorite place for name brands, a Plaza of which they call Phipps.

Buck #11 Clue 1

As we enter week 6 of the hunt, our game is half way through.

And as brightly as he's painted, he's sure to get some stares.

Buck #11 Clue 2

With yellow, red and blue painted all over his white.

So park your car on the side street and walk past the fences

To where you'll find this buck at the Gallery Residences.

Buck #18 Clue 1

Although our next bucks nose may not be that big,

But the martini's he's grabbing I think you will dig.

He wears a Tux with silver antlers on his head.

Our buck can be found at a Place in Buckhead.

Buck #18 Clue 2

Cyrano de Buck-a-Rack is this buck's name,

And dressing up nicely in a tux is his game.

And although he doesn't face out towards Peachtree,

At Buckhead place is where this buck's placement be.

Epilog...

Alas my friends, we have made it to the end.
There are no more street bucks around the next bend.
There are so many to thank, and so little time,
So perhaps instead, I will leave this last rhyme behind:

We have journeyed near and far, and found some new places,
Made some new friends, and put old names with new faces.
I hope you have gotten outside and found a buck or two to climb
The story here is done, until the next Once upon a time....
