

DONOR RECOGNITION

PATH400SM is a wonderful example of what can be accomplished through collaboration. From an idea on the drawing board to completion of the first phase, this project has benefitted from tremendous support and partnership.

As a nonprofit organization with a focus on sustainability and livability, Livable Buckhead is leading this project. PATH400SM is key to creating a walkable, bikeable region. This greenway will link to a regional network of trails, enhancing our lifestyle for generations to come. Our partners have given the project a solid foundation – we need community support to complete PATH400SM.

We are happy to extend the following benefits to Campaign supporters:

PATH400 DONOR Levels and Benefits	Trail Blazers \$10,000- 24,999	Gardeners \$5000 - 9999	Landscapers \$2500-4999	Wayfinders \$1000-2499	Cultivators \$500-999	Seed Sowers \$50-499
