

# VITALITY

## Public Space & Redevelopment

#	Name	Description
V.25	Redevelopment at Roswell Road and Piedmont Intersection (all corners)	Mixed-use development with residential at all corners of intersection (particularly if this intersection is reconfigured as noted in M.12)
V.26	Public space along Roswell Road	Create public space on current surface parking lot at northeast corner of Roswell Road and Lakeland Drive
V.27	Public space in natural area in along trail route (M.25)	Create small, trail-supportive gathering spaces along trail route (M.25) in buffers between commercial and residential
V.28	Redevelopment of corner of Lenox and Piedmont	Mixed-use development on the parcels at Lenox Road and Piedmont Road
V.29	Redevelopment of existing Kroger site	Mixed-use redevelopment to include residential units, street extensions, and integrated, usable public space on existing Kroger site

## Public Art & Street Activation

#	Name	Description
V.30	Infill Retail at corner of Lenox and Piedmont Road	Forthcoming development should ensure activation on the ground floor and the corner, and front PATH400
V.31	Public Art at Lenox and Piedmont	Intersection identified as a key intersection for public art
V.32	Public Art at Roswell and Piedmont	Intersection identified as a key intersection for public art (could be part of intersection reconfiguration - M.12)
V.33	Public Art at Roswell and Alberta Intersection	Public Art installation where Buckhead Loop Cultural Trail meets Roswell Road on Alberta
V.34	Public Art at Kroger site	Public Art along Piedmont at Kroger site, potentially as part of redevelopment (V.29)

**Note:** refer to the concept map on Page 123 for the above listed project locations
