

TRAN\$AVE: Transit Savings

- **Would you like to provide a free, stress-relieving benefit for your employees?**
- **Do you have employees who ride MARTA to work?**
- **Would you like to encourage more of your employees to ride MARTA?**

If you answered yes to any (or all) of these questions, Tran\$ave is for you!

Livable Buckhead's Tran\$ave program offers monthly MARTA Breeze cards at a 20 percent discount -- \$76 per card instead of \$95. This is a great opportunity to offer a valuable employee benefit at no cost, and with minimal effort. The cost of the cards can be covered by either employees or the employer, as long as the employer provides a single payment to Livable Buckhead each month.

- No long-term commitment required
- No minimum – order only as many cards as you need each month
- Free consulting on how to offer pre-tax and subsidized available
- All participating organizations agree to send a brief commute-related survey to all Buckhead-based employees

To get started:

- Designate a Tran\$ave coordinator for your company. Ask the coordinator to contact Calvin Cromer (calvin@livablebuckhead.org or 404-842-2684) to enroll.
- Determine how many cards you need, and notify Livable Buckhead. Livable Buckhead will send you the initial order of cards plus 10% more to keep on hand for replacements or new participants.
- Each month the Tran\$ave coordinator notifies Livable Buckhead how many cards need to be activated for the following month. The order is due by the 10th of the current month for the following month.
- Livable Buckhead will invoice your company via email within one week of submitting your order. Payment must be made in cash or check made payable to Livable Buckhead, Inc.
