

# Flexible Transit Pass Guide

Flexible Transit Options for Hybrid Work

Due to new hybrid workforce behaviors, Livable Buckhead has put together a guide for commuters when choosing which transit products best fit their schedule. A trip is one-way, with two trips necessary to make a round trip from home to work and back. Unused trips do not expire and are rolled over to the following month.

Transit Trips to Work	Jan - Oct	Nov & Dec
Once a week 	Order a 10-trip MARTA pass. <b>\$25</b>	Covered by unused trips.
Twice a week 	Order a 20-trip MARTA pass. <b>\$42.50</b>	Covered by unused trips.
Jan - Sept		Oct - Dec
Three times a week 	Order a 10-trip & a 20-trip MARTA pass. <b>\$67.50</b>	Covered by unused trips + <b>\$42.50</b> (1) 20-trip pass.
Jan - Dec		
Four+ times a week 	Order a monthly unlimited pass. <b>\$76*</b>	Must reorder each month.

Whether an employer covers the cost of transit fare or it is taken out pre-tax, the benefits are significant for employees. Additional fare for Xpress, Gwinnett County Transit and CobbLinc can be purchased in addition to MARTA fare. Replacement cards can be purchased for \$2 each.

\*The monthly unlimited pass is the only discounted fare currently available.
